

# Light of Christ

Song by Marc Willerton

INTRO - D F#m E A

## V1

D F#m E A

In him no darkness  
Heaven's pure light  
Coming to his own  
Yet was despised

## PRE - CHORUS

Oh God  
In love you sent your only son  
Oh God

E— — —>

You sealed my pardon with your blood

## CHORUS - D A F#m E

Light of Christ broke through the darkness  
Putting it to shame  
Satan, sin and death defeated  
Jesus lives and reigns  
Oh! Praise his name!

## V2

Called out from darkness  
Brought into light  
We've been crucified  
Raised up with Christ

## BRIDGE - D F#m E

Oh praise his name  
Oh praise his name  
Oh praise his name  
Oh praise his name

## OUTRO - A D/B A/C# D

Oh praise his name  
Oh praise his name  
Oh praise his name  
Oh praise his name
