From The Desk Of Dr. Joe Vitale

My Friend,

A few very special people joined me as I showed them the cutting edge of how to make money like I do.

They were called Elite Wealth Explorers, and they got exclusive access to Advanced Wealth Activations that “force” your mind to become my millionaire mind.

Yes, it’s like “stealing” my millionaire mind.

(In case you were wondering... you can’t make money like I have if you don’t have the millionaire mind... like I have).

And the results were incredible. People... transforming right in front of my eyes... using these Advanced Wealth Activations to **MAKE REAL MONEY**.

It was incredible!

Well, the reason for this letter is simple.

While the public has had access to many of my trainings that focus on how to make money the Joe way, only this

special elite group of people received access to these advanced conscious and subconscious training modules.

You are not a part of that elite group. That's OK.

But would you like a chance to grab those same Advanced Wealth Activations... that let you “steal” my millionaire mind... so you can make money like I do?

Well, Here's Your Chance To Take Advantage Of An Exclusive Opportunity That Probably Won't Come Around Again

I'm now in the process of creating a “focus group” of people where I basically give a small group of non-members these Advanced Wealth Activations for a HUGE discount.

We're talking over 80% off what the public will pay (if I ever release it to the public).

But I want help making sure this is as good as me and my Elite Wealth Explorers believe they are.

So I'm inviting you to join this closed focus group.

As Part Of This Focus Group You Can Have Access To A Collection Of Unreleased Money-Making Advanced Wealth Activations For A Secret Price Of...

There's just one catch.

All I ask is that you take it, use it for two months, put my millionaire mind to the test, and begin using it to make more money.

Then send me a short description of your favorite part and why.

Two sentences max.

The goal for you should be really simple.

Use these Advanced Wealth Activations I'll give you to transform your mind... into my millionaire mind... and watch as the money comes in, like it does for me.

It doesn't get any better than that!

That's it.

Pretty simple and straight to the point.

[If you want in, you must use this invitation link \(only limited spots are available\)](#)

This page will look a lot like the regular page but with special pricing.

But whatever you do, please DO NOT share this with anyone.

It could cause a LOT of problems.

Expect Miracles.

Love

Joe

P.S. I'm only taking an undisclosed, small amount of people into this group so you need to decide now whether or not this is something you want.
