TALK IT OVER

Talking through the message during the week can really help clarify the things that God is teaching you and let others learn from your experiences. Get with someone this week and talk about your answers to the following questions:

Big Picture

What stood out most in the message to you regarding something that you learned, challenged you, or that you disagreed with?

Dig In

Read Acts 14:21-23. As Paul and Barnabas circled back through the churches they established, what did they focus on? Why were those particular goals important? How are the same things important to modern churches today?

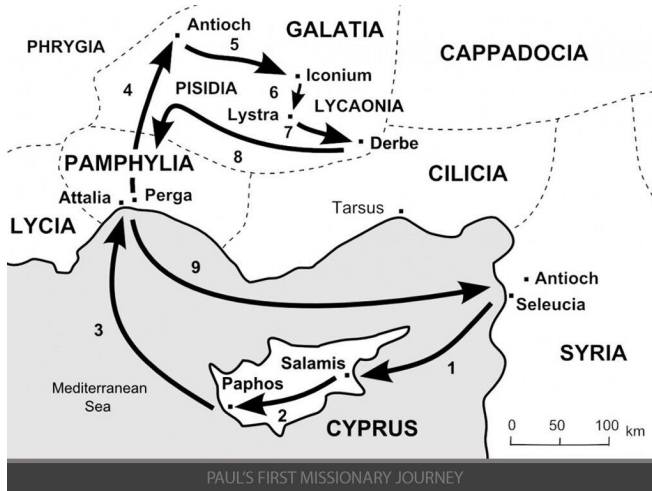

Read Acts 13:1. Luke distinctly separates the roles of teachers and prophets. How are those roles different?

Teacher's Pick

Thus far in Acts we've constantly seen how hardship can come with being a witness. In what ways have you faced hardship for being a witness? What role does hardship play in actually spreading the gospel?

Putting It Into Practice

In what ways can you be a missionary today?

The mission of the church is to
HELP PEOPLE FIND AND FOLLOW JESUS.

You are a MISSIONARY!
