**TALK IT OVER**

Talking through the message during the week can really help clarify the things that God is teaching you and let others learn from your experiences. Get with someone this week and talk about your answers to the following questions:

What thought from the message was most helpful to you?

Do you think justice is impossible without judgment? Why?

How is God's judgment proof of His love?

In what ways has your growing understanding of God's justice changed the way you think?

In what ways have you found the injustice of the world to be the perfect backdrop to display the gospel?

How does the hope of the gospel keep you from becoming cynical?

What questions remain for you about God's judgment and justice?
