Growth Group Questions

Because we believe that the sharing of our ideas and beliefs enhances our spiritual growth in ways teaching alone cannot - we encourage you to join a small group at Sunridge and discuss some of the following questions.

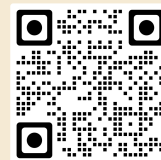

What stood out most in the message to you regarding something that you learned, challenged you, or that you disagreed with? And, in what ways can you see these truths being lived out in your relationships and life this week?

In your opinion, what are some of the external threats to Christianity today? What can we learn from Jesus' arrest in Mark 14:43-52 that could help us know how to fight those battles?

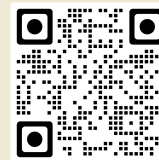

Which of the four internal threats listed in the message do you believe to be the biggest internal threat to faith and why? Which one is the biggest threat to you, personally?

The Pharisees were Jesus' own people and religious leaders. In your opinion, what caused them to lose their way spiritually? In what ways are religious leaders at risk of the same? What can you do personally to not stumble in the same way?
