TALK IT OVER

Talking through the message during the week can really help clarify the things that God is teaching you and let others learn from your experiences. Get with someone this week and talk about your answers to the following questions:

Big Picture

What stood out most in the message to you regarding something that you learned, challenged you, or that you disagreed with?

Dig In

Compare Exodus 2 & Acts 7. What facts about Moses are only mentioned by Stephen in Acts?

Read Hebrews 12:11-12. What do these verses say about God's discipline? Do you think God punishes sin? What's the difference between punishment and discipline?

Teacher's Pick

What have you learned from failure in the past? Do you think that God uses failure to teach us? How is God using failure to make you a disciple of Christ?

Putting It Into Practice

Of the four "courses" mentioned in the message, which has been the most difficult for you to learn? Why do you think that is? What steps could you take to master that?
