Because we believe that the sharing of our ideas and beliefs enhances our spiritual growth in ways teaching alone cannot - we encourage you to join a small group at Sunridge and discuss some of the following questions.

What stood out most in the message to you regarding something that you learned, challenged you, or that you disagreed with? And, in what ways can you see these truths being lived out in your relationships and life this week?

In what ways do you feel like your calling & mission reflect the love & faithfulness of God? In what ways can you better reflect God's heart & character?

Share a time when you saw God use you as part of a team to impact others. In what ways can you lend your time & talents to other needs around you?

Do you struggle with believing that you are making an impact that will outlast your life? What kind of impact or legacy do you hope to leave behind?

Is there a situation in your life where you are hesitant to move forward because of the potential fallout or consequences? How can you move forward in faith in this situation?

Share a time when you faced an unexpected detour. How did God lead you through that?
