

CAR SEAT SAFETY CLASS

May 15, 2024
5:00pm – 6:30pm
At RFGH

DO YOU TRANSPORT A CHILD WHO HAS A CAR SEAT OR BOOSTER SEAT?

Car seat safety isn't just for parents, it's for anyone who transports a child! Those who attend this free class will learn about:

- Maine's car seat law
- How to choose a car seat or booster seat
- How to secure a child into a car seat or booster seat the right way
- What can happen if a seat is not used correctly
- Common myths about car seats and booster seats
- Car Seat Safety Program at Redington-Fairview General Hospital

About the Class Instructor

Brittney Dunphy, RFGH's Community Health Educator, is a Certified Technician through the National Child Passenger Safety Certification Program. The National Child Passenger Safety Certification Program is provided through Safe Kids Worldwide and follows the child passenger safety standards provided through the National Highway Traffic Safety Administration (NHTSA).
