A Point of View on Digital Citizenship Essentials

(50 minutes)

Presented by Karen Bonanno, Director, KB Enterprises (Aust) Pty Ltd

Outline of content presented

5 digital citizenship essentials:

1. Functional skills
2. Communication skills
3. Being safe
4. Digital literacy
5. Collaborative skills

These essentials are then explored in the context of the general capabilities of ICT competence and critical & creative thinking within the curriculum, with a specific focus on the History curriculum.
