Revelation: *God Speaks*

God reveals Himself to everyone everywhere through general revelation, but it is only by personal revelation that anyone comes to a saving knowledge of God. God has revealed Himself through Jesus Christ, the Son of God and his written word. Because God is a loving Father who speaks, we seek to hear from Him and test everything by the Word of God. God has revealed Himself to us so that we might know him and worship him. Our understanding of his revelation and our view of Scripture will dramatically affect our understanding of all other doctrines.
