Welcome Back to a New Season!

PATROL SEASON STARTS — SATURDAY 26 SEPTEMBER

Our patrol season officially kicks off on Saturday 26 September, with Patrol Teams 9 and 10 commencing the season.

The patrol roster has now been published, with all rostered dates also added to your personal SLSHUB portal.

✓ **Check your SLSHUB and confirm your allocated patrol dates.**

Can't make a rostered patrol? Contact your Patrol Captain as early as possible so arrangements can be made.

Let's start the season strongly and continue the great work our patrol teams do to keep our beach safe.

HUNTER BRANCH FLAG RAISING AT BIRUBI

This year, Birubi Point will proudly host the SLS Hunter annual season flag-raising event.

This is the first time this event has ever been held at Birubi — a fantastic opportunity for our club to showcase our facilities and members to the wider Hunter Surf Life Saving community.

We look forward to welcoming clubs and representatives from across the Hunter and officially raising the flag to mark the beginning of another season.

NEW PATROL SHIRTS

We are expecting the arrival of our new patrol shirts by early October.

As part of the new Qantas sponsorship, SLSA is providing every patrol member with a new patrol shirt for the coming season.

Once the new shirts arrive and are available for collection, we will provide further information and ask members to return their old patrol shirts.

Old shirts will be sent for material recycling — helping us reduce waste and give them a second life.

INAUGURAL BIRUBI SOCIAL GOLF DAY

Back in August, we held our inaugural Birubi Point SLSC Social Golf Day, and it was a fantastic success.

The weather was absolutely on point, and it was great to see members, families and friends getting together away from the beach for a fun day.

Planning has already commenced for our 2027 event, planned for August next year. Stay tuned for more information as we start putting the next event together!

MEMBER FEEDBACK SURVEY

During the off-season, the club released a member feedback survey, and we received some fantastic responses and valuable feedback. Thank you to everyone who took the time to provide their thoughts.

Member feedback is an important part of helping the club continue to improve and ensure we are heading in the right direction.

Those who provided feedback should have now been contacted by the relevant committee member to discuss their responses. If you provided feedback and haven't heard from us, please reach out to a committee member so we can follow this up with you.

CLUB OPEN DAY

Our Club Open Day on Sunday 13 September was a great success, with a fantastic turnout of both new and existing families.

It was great to see so many people around the club, meet new members and welcome families back for another season.

A huge thank you to everyone involved in organising and running the day — events like this don't happen without the commitment and effort of our volunteers.

We look forward to welcoming many of our new families into the club over the coming season.

MEMBERS NIGHTS ARE BACK!

Our popular monthly Members Nights are returning this season! Members Night will be held on the last Friday of every month.

FIRST NIGHT: FRIDAY 25 SEPTEMBER 2026

Everyone is welcome to come down, catch up with fellow members, meet some new faces and celebrate the start of another season. Keep an eye on our social media channels for further information and updates throughout the season.

NIPPERS IS BACK — REGISTRATIONS ARE OPEN!

Our Nippers program is getting ready to kick off for another exciting season!

SUNDAY 18 OCTOBER • TOMAREE POOL

Have you registered yet?

Registrations are now OPEN, and we encourage all existing Nippers families to renew their memberships now rather than leaving it until the last minute.

If your child has participated in Nippers previously, please jump onto SLSHUB and complete their registration for the 2026/27 season. And if you're new to Birubi Point or have been thinking about getting your child involved in Nippers, now is the perfect time to join us!

Nippers is about much more than learning beach and ocean skills — it's an opportunity for kids to build confidence, develop friendships, learn valuable surf awareness and lifesaving skills, and become part of our Birubi Point community.

With the club continuing to grow and our Nippers program entering another exciting season, we want to see as many of our families as possible back on the beach.

Existing members: Renew your membership through SLSHUB.

New families: Get in touch with the club to find out how your child can become part of Birubi Nippers.

DON'T MISS OUT — REGISTER TODAY!

We can't wait to see everyone back at Tomaree Pool on Sunday 18 October and get the 2026/27 Nippers season underway.

BRING ON SEASON 2026/27!

There is plenty happening around Birubi Point as we head into another season, and it's exciting to see the club continuing to grow both on and off the beach.

Thank you to all of our volunteers, committee members, patrol captains, age managers, water safety personnel and members who continue to give their time and energy to make Birubi Point SLSC the club it is.

Here's to another safe, successful and enjoyable season at Birubi Point. See you on the beach!
