195 Pick & Pull is a local family-owned and operated yard for used auto parts. With over 1,400 vehicles in our pick and pull yards, we offer a wide selection of parts at the lowest prices. Customers are required to bring their own tools and pull their own parts, but we provide free wheelbarrows, parts carts, and engine hoists to make the process easier. We are well-known in the community for our excellent service and strive to give our customers the best experience.
