ABOUT

Post Construction Clean Up | A-K Commercial & Construction Cleaning provides quality, reliable, and unmatched detailing that comes with a price. We are “Sweeping the Competition Out the Door!” with our customer care. We make no distinctions between the service we provide to high rises nor that of construction trailers. Everyone deserves and receives 1,001% of our efforts, determination, and wherewithal to ensure a sanitized and healthy work environment. This type of attention to detail and personalized services is what has endeared us to our long standing clients. Our certifications include DBE, DVBE, SB-Micro, SBE, SLBE, UDBE, W/MBE. NAICS 561720 and 238990 and Cage Code 4F1J9. A-K Commercial & Construction Cleaning was established to provide unparalleled janitorial services to businesses and the Construction Industry alike. We take great pride in what we do. We direct our attention to the details when performing our services. We believe that every element of the cleaning job, no matter how small, contributes to the overall quality of our service. We are not perfect, but we strive for perfection. Our people are our greatest asset. We treat our people right which translates into higher job satisfaction and consistent quality service for the client. The safety of your business or renovated and remodeled home is always a priority. Our staff go through background checks and drug testing. On the job, a supervisor is always onsite for questions, challenges, and emergencies. A-K Commercial & Construction Cleaning services residential clients who have remodeled or renovated a home, as well as a wide variety of industries and businesses including but not limited
