## ABOUT

AllSac Metals opened in 2012 (originally operating as TKO Recycling) to provide convenient, consumer-oriented recycling services for both business and residential. Our team strives to provide the best service in the Sacramento area for your CRV and scrap metal. Our professional crew will handle all of your CRV and scrap metal recycling needs. From just a few cans to a 20cy. truck load, we'll handle it all. We pay cash for your CRV and scrap metal.
