ABOUT

Alliance Recycling Group is a leading recycler of metal, corrugated material, paper, plastic and wood. With operations encompassing the buying, processing and selling of most types of recycled materials, our five locations throughout the upper Midwest offer an unmatched combination of service and commitment and ability to maximize price and profit for any recycling need. From its home base in Minnesota, Alliance services both industrial and personal scrap needs and provides needed scrap to customers both nationally and internationally. Our service and commitment is built upon fifty years of local and family ownership, providing the strength of global connectivity with support on a local level. Alliance Recycling Group is deeply committed to sustainability, the health of our workforce and local communities, our customers, and the environment.
