

COMPANY PROFILE

Alpert & Alpert Iron & Metal

alpertandalpert.comABOUT

Alpert & Alpert Iron & Metal, Inc., founded in 1930 by brothers Herman and Mandel Alpert, is a global leader in scrap metal processing, recycling, and trading. With a strong commitment to environmental responsibility, the family-owned company offers flexible pricing and payment options to meet the needs of domestic and international markets. Affiliated with major industry associations, Alpert & Alpert provides full-service solutions and has established a strong presence in key markets worldwide.
