

## COMPANY PROFILE

# American and Import Auto Parts

[aaiap.com](http://aaiap.com)

## ABOUT

American and Import Auto Parts has been family owned and operated since 1977. The company is currently being operated by Michael Thompson, a third-generation auto recycler along with a well-trained and experienced staff who takes pride in the parts and service we provide. The part that you have purchased from us has been inventoried, dismantled and delivered with the assumption that you will have no issues with it.
