

COMPANY PROFILE

American Tree Serv 1

americantree.info**ABOUT**

American Tree Service is a family-owned and operated company with over 25 years of experience in the timber industry. We specialize in dangerous and emergency storm tree extraction, stump grinding, crane services, general contracting, and tree treatment for insects and disease. Fully licensed and insured in north Idaho and eastern Washington, we work year-round to provide a variety of services to meet our customers' needs.
