

COMPANY PROFILE

Apalachee Backhoe & Septic

tallahasseeseptic.comABOUT

Apalachee Backhoe and Septic has been voted Best Septic Company in Tallahassee. Our State Licensed septic experts specialize in top quality septic work at very low prices. We back our work with a full guarantee on all parts and labor. We specialize in Septic Pumping and Cleaning, Septic Repair, New Septic System Installations, Commercial Septic Systems, Septic Inspections, ATU System Installation and Maintenance, Septic Maintenance, Waterproofing, and Site Work. Mike Sundin, owner of Apalachee Septic, is a Master Septic Installer and Certified Environmental Health Specialist. His sons, Jeremy Sundin and Jon Sundin are both Licensed Septic Installers. We ensure that every job is done well, built to last, and fully complies with Florida Septic Code.
