## ABOUT

Apex Roofing and Exteriors is a locally owned and operated company specializing in roofing, siding, gutters, soffit, and all exterior trim. With over 15 years of experience, Apex offers superb customer service and superior craftsmanship. They are dedicated to making their customers their top priority and ensure that every project is completed to perfection. Their services include asphalt roofing, vinyl siding, and all exterior trim. Customers have praised Apex for their attention to detail, thorough cleanup process, and timely completion of projects. Whether it's a new installation or repairs, Apex Roofing and Exteriors is the go-to company for all your exterior needs.
