

COMPANY PROFILE

AQWA

aqwa.net**ABOUT**

AQWA combines top quality products, extensive knowledge, and industry experience to provide superior wastewater management solutions to clients big and small. From large multi-system commercial projects to single-family homes and even public works, AQWA offers solutions for engineered septic, drip irrigation drain fields, sewer connections and extensions, private lift stations, and package treatment plants. As the leader in decentralized wastewater treatment system sales and service in the Carolinas, AQWA is dedicated to delivering efficient and reliable solutions for all wastewater needs.
