ABOUT

Arite Used Auto Parts is a company located in New Britain, CT that specializes in providing quality new and used auto parts. With their nationwide locating system, they can find any part that they don't have in stock. They are known as Connecticut's #1 choice for used parts and have been in business since 1993. In addition to used auto body parts, they also offer re manufactured auto parts, aftermarket parts, transmissions, engines, and more. Arite is committed to providing quality products and ensuring customer satisfaction. They offer fast delivery services locally in Connecticut and nationwide shipping across the United States.
