

COMPANY PROFILE

Automotive Core Recycling, LLC

autocorerec.com**A B O U T**

Automotive Core Recycling is a family owned and operated business that was founded in 2008, in Meriden CT. We service salvage yards, scrap yards, repair and body shops, dealerships, towing businesses and individual collectors in the Northeast region including CT, NY, NJ, MA, RI and PA. With over 20 years of experience in the automotive industry, we have become one of the largest buyers and processors of scrap catalytic converters and automotive core parts. All catalytic converters are processed on site and we also have decanning services available for larger quantities. ACR has been expanding and finding new ways to tailor to customer needs which has led up to a second location in Mechanicsburg, PA. We are committed to making your experience with us as easy and pleasing as possible so feel free to call/email with any questions or to schedule a pickup.
