

## COMPANY PROFILE

# Bamberg County

[bambergcountysc.gov](http://bambergcountysc.gov)ABOUT

Bamberg County is a government administration entity that focuses on creating a welcoming environment for residents to enjoy friendly interactions, raise families, access quality education, and thrive in a progressive work setting. The county is actively involved in various projects, offers services such as tax payment assistance, and promotes community pride through the 'BeBamberg' campaign led by the nonprofit SouthernCarolina Alliance.
