

COMPANY PROFILE

BedShred

bedshred.comABOUT

BedShred Mattress Disposal and Recycling is committed to keeping your old mattresses and boxsprings out of local landfills. They achieve this through rigorous recycling and disposal methods, ensuring that the components of each discarded item are never refurbished or reintroduced into bedding materials. Their process leaves only 10% of each mattress being discarded as compacted waste. They offer mattress pick-up services in Charleston County (South Carolina) and Daniel Island (29492).
