

## COMPANY PROFILE

# Biologic Environmental Services & Waste Solutions

[biologic-esws.com](http://biologic-esws.com)ABOUT

Biologic Environmental Services & Waste Solutions is a financially sound and innovative environmental waste firm. They specialize in point source segregation and help customers audit their waste streams. Biologic provides customized programs to minimize waste streams, reduce liability and costs, and promote waste minimization and recycling options. They are committed to their environmental responsibility and aim to assist generators with sustainable waste management solutions.
