## ABOUT

Bird Masters LA Inc. specializes in providing professional humane bird removal and prevention services to keep them from returning, landing, roosting, and nesting on your property. They offer their services to residential, commercial, and industrial properties. In addition to bird control, Bird Masters LA Inc. also provides professional commercial and residential window cleaning, hard water stain removal, pressure washing, solar panel washing, and sanitization services. They offer both one-time services and recurring scheduled services.
