## ABOUT

Blume Honey Water is an organic beverage company that harnesses the power of honey in their hydrating and energizing artisanal waters. They use 100% bee-friendly honey and organic ingredients to create refreshing flavors like Citrus Vanilla, Wild Blueberry, and Ginger Zest. Blume believes in the natural benefits of honey, offering a spikeless energy boost and quenching hydration in a world of artificial beverages. Their mission is to provide a delicious, sustainable alternative that celebrates the richness of honey and supports bee sustainability.
