

COMPANY PROFILE

Burk Construction

bgdumpster.comABOUT

Burk Construction, LLC is a family owned and operated general contracting company located outside of Franklin, KY, just north of Nashville, TN. For over 15 years, Burk Construction has built custom timber frame & log homes for families across the country. Whether you are looking for a rustic element in a conventional home or a complete timber frame or log building, Burk Construction can help you build from concept to finish. If you have a historic home or log cabin the needs restoration and repair work, Burk Construction has you covered. We specialize in old world craftsmanship with modern conveniences. When only the best will do, call Burk Construction! Burk Construction builds custom timber frame and log homes. We also specialize in historic restoration/preservation & log cabin maintenance & repair.
