

COMPANY PROFILE

Cadott Auto Sales

cadottautosales.comABOUT

Our goal is to offer quality products and services at a reasonable cost to you. We pride ourselves in going out of our way to promote customer satisfaction. We have a wide variety of vehicles to choose from and at reasonable prices. Over the years we have provided Western Wisconsin consumers with used vehicles at prices they can afford. And because of our repeat customers and word of mouth, we have provided many young people in the surrounding communities with their first vehicles. We can help you find the car of your dreams using our special orders program or choose a lease program vehicle at a low fixed monthly rate. Established in 1982 by Dennis Lotts, Cadott Auto Sales is a member of the Cadott Chamber of Commerce and is licensed by the State of Wisconsin. We would like to send our special THANKS to past, present and future customers for our 30 year success in used vehicle sales. Our secret is experienced sales and service staff, knowledge of the business and customer satisfaction.
