

COMPANY PROFILE

Canyon County

canyonco.org

ABOUT

Canyon County, located in Idaho, is the second most populous county in the state with a population of 231,105. Known for its agricultural prowess, it is a major producer of vegetable seeds, sweet corn seed, and various agricultural commodities. The county is also experiencing rapid growth in its viticulture and winery industry, making it a hub for wine enthusiasts. With a favorable cost of living and access to Idaho's recreational offerings, Canyon County is a thriving urban area within the Boise Metropolitan Statistical Area.
