carolinabrushcutters.comABOUT

Carolina Brush Cutters is a company that specializes in land clearing services. They offer an economical and environmentally conscious alternative to traditional land clearing methods. Their brush removal methods leave the land groomed, not devastated. They use the right equipment for the type of land in the South East, covering areas from Raleigh to Charlotte and Columbia to Atlanta. Carolina Brush Cutters aims to minimize the use of bulldozers and heavy equipment to preserve the natural environment as much as possible.
