

COMPANY PROFILE

Castle Servs

castleservs.comABOUT

Castle Services is a property service company that provides professional and affordable property services for commercial and residential properties. We treat your property like royalty and ensure that it is clean and well-maintained. Our trained cleaning teams are always ready to go above and beyond to help with all your cleaning problems. In addition to property services, we also offer other services such as event cleaning and business cleaning. Let us take care of the mess while you focus on other important tasks. Contact us at (916) 420 3132 for all your property service needs.
