[ccpavingandexcavating.com](http://ccpavingandexcavating.com)**ABOUT**

CC Paving & Excavating is a third generation minority owned and operated Construction Company. Founded in 1958 by Adgie "Lee" Coker, we have a proven history of success in the paving and trucking industry, giving us the experience needed to handle any project. Over the years, we have expanded our services to include excavation, landscaping, selective demolition and concrete. CC Paving & Excavating has the ability to work anywhere in the state of New York and pride ourselves in the ability to take on commercial and municipal projects. We strive to deliver professional services from the initial estimate, through, to the completed job. Led by our president, Darian Coker, CC Paving & Excavating is proud to be a Green business since 2009. Darian, a third generation paving specialist with over 10 years of experience, is a SUNY ESF alumnus. Being environmentally conscious and in keeping with his vision, we are using recycled materials in projects while still providing the excellent quality you deserve. Our mission is to provide efficient, high quality paving and concrete services in an environmentally conscious manner to all of our commercial and residential customers in an economically affordable way while maintaining a diverse work force with over 50 years of experience in the paving industry.
