

COMPANY PROFILE

Celikler Metal Ticaret

celiklermetal.com**A B O U T**

Çelikler metal, which started its activities in 1980 with copper import-export business, has grown continuously and in a balanced way, adding foreign exchange, fuel oil, scrap collection, recycling, construction and automotive to its fields of activity, respectively. It has taken its place among the leading companies in the metal sector with its activities both at home and abroad. In 2007, it brought to our country one of the most modern scrap collection and recycling facilities of Turkey, with an annual capacity of 500,000 tons, with an open area of 40000 m2 and a closed area of 2000 m2 in ■zmir Alia■a. Çelikler Metal works with the principle of maximum efficiency and effectiveness in every sector in which it operates with its experienced and educated manpower and aims to be among the leading companies in its sector.
