## ABOUT

Center Street Auto Wreckers in South Dennis, Massachusetts, is an auto salvage recycling plant that offers a wide variety of used parts for all domestic and foreign cars and trucks. Our facility and practices are light years ahead of the competition, and we proudly ship throughout the US. We offer used parts for all domestic and foreign trucks, SUVs, cars, and vans. From body parts and glass to engines and transmissions, we will ship our parts to anywhere in the US. This is the largest recycling facility in Cape Cod, and all our used parts are guaranteed.
