ABOUT

We're committed to providing you with the highest level of service, so you'll always choose us for your Junk Yard Needs. For most people, finding used auto parts is not fun or convenient. So, we want to make the process as easy and enjoyable as possible for you. We genuinely care about your car and your experience, and it shows. Our first-time customers continually become our long term customers time and time again, choosing us for all their used auto part needs. We're committed to maintaining a state of the art salvage yard, we are currently the only 100% paved salvage yard in the country. With the introduction of Bay Rentals (lifts) concept where you can rent a lift for 1 hour or the whole day for your car repairs needs right on property where you will be able to find any used part you might need for the job. Mission Statement : We want to be the auto salvage yard facility you turn to for all your automotive needs. For the many years we've been in business, we have been striving to provide our clients the best quality used auto parts in the industry. We want nothing more than to keep you and your vehicle safe and on the road. Whether you own an import, a domestic, or a high performance exotic car, we're the place to find the parts for your car.
