

COMPANY PROFILE

CentricsIT

centricsit.com

ABOUT

CentricsIT is a global leader in IT lifecycle management, offering strategic solutions like multi-vendor support services, professional services, and asset recovery services. They focus on maximizing value, lowering total cost of ownership, and improving efficiency for clients worldwide. With a SMART approach, CentricsIT reduces risk, cost, complexities, and carbon footprint through customizable enterprise ITAD programs. Headquartered in Metro Atlanta, Georgia, CentricsIT operates globally with offices in Toronto, London, Prague, Dubai, and Sydney. They are known for their excellence in customer service and as one of the largest independent resellers of top-tier technology products.
