

## COMPANY PROFILE

# Chaparral Concrete Equipment

[mixertrucks.com](http://mixertrucks.com)ABOUT

For over 16 years, Chaparral Concrete Equipment has been serving the ready mixed concrete and construction industries. As a licensed Texas Motor Vehicle Dealer, Chaparral takes pride in providing a wide range of mixer trucks to meet every budget and specification. With over 100 mixer trucks in stock, Chaparral offers its customers a competitive advantage and the ability to choose from various brands and specifications. Located near DFW International Airport in Dallas, Texas, USA, Chaparral sells concrete mixer trucks worldwide. In addition to mixer trucks, Chaparral also sells cement batch plants and other heavy equipment. Their products are used in construction projects around the world, including countries like Russia, Chad, Nigeria, Philippines, Peru, Chile, Brazil, and many more. Visit their website, [www.mixertrucks.com](http://www.mixertrucks.com), for the latest inventory list and spec sheets. Chaparral is dedicated to serving the ready mix concrete industry.
