

COMPANY PROFILE

CIF Industries,

cifindustriesinc.com**ABOUT**

CIF Industries, Inc. is a leading manufacturer and provider of transportation equipment for the metal recycling industry. Specializing in dump trailers, dump bodies, trailers, truck bodies, and recycling equipment, we offer a wide range of products including roll off containers, self-dumping hoppers, and custom fabricated items. With a legacy dating back to 1965, our family-owned company is dedicated to delivering high-quality solutions for the metal recycling sector.
