## ABOUT

Citywide Metal Recycling is a SanAntonio based recycling facilityconveniently located on the WestSide of the city and easily accessiblefrom all parts of town and beyond.We have an experienced recyclingteam who know the benefits of recycling to the environment as wellas the cash reward we get when werecycle. Our commitment is to provide ourcustomers with the very bestservices and top pay for theirrecyclable materials. The amount ofmoney we offer for your scrapmetal depends on the weight of theproduct, as well as the currentmarket price.
