## ABOUT

Clean Green Recycling is a state-permitted wood recycling company based in Hollister, California. We specialize in recycling clean construction wood, trees, and green waste. Our services include tree removal and offering wholesale wood chips for landscaping needs. With on-site drop-off, removal, and mobile grinding services, we aim to reduce landfill waste and help save the environment. Family-owned and operated since 2007, we serve Hollister, Gilroy, Morgan Hill, San Jose, Salinas, Monterey, Watsonville, Santa Cruz, and the Valley.
