

COMPANY PROFILE

Coastal Metals Recycling-Panama City

coastalmetalsrecycling.com

ABOUT

Coastal Metals Recycling has been serving the Bay County Area for over 40 years. Focusing on keeping our community clean, we provide a community service to keep our area green and reduce landfill waste. With fast and friendly service, we purchase all types of recyclable metals turning your scrap metal into cash. Commercial and residential customers alike can benefit from selling the scrap metal you have just sitting around. We buy all types of scrap metal such as:
