## ABOUT

Copper Collar Services is a company that provides portable restrooms and shower trailers for rent. They offer their services for private and corporate events, as well as municipal and federal contracts. They also support disaster relief efforts. The company is registered on Sam.gov and Caleprocure and holds certifications for being a Disabled Veteran and Small Business Owned. Their staff is professional and well-groomed, always dressed in clean uniforms. Copper Collar Services strives to provide clean and sanitary restrooms, showers, and laundry facilities. They prioritize safety by using equipment from industry leaders and following strict safety practices.
