## ABOUT

Good intentions sometimes lead to non-moving rust buckets; sometimes the best decision is to let it go. Corner Stone Junk Yard ensures fast and friendly removal of all old and unwanted cars in any condition: rusted, wrecked, or immovable. Whether you have lost your title or without a title, no problem! We will still take it. Our family-owned and -operated business in Phoenix, Arizona will tow away an RV, sports car, pick-up, or van at your convenience with no damage to your property or other nearby vehicles.
