## ABOUT

Cristo Demolition, Inc. is a demolition company based in Albany, New York. Founded in 1981 by siblings Toni and Tom Cristo, we are a third-generation family-owned business with extensive experience in the demolition industry. We offer a wide range of services, including total and selective building demolition, as well as roll-off dumpster rentals for residential and commercial customers. Our team of skilled professionals is fully insured and bonded, ensuring the safe and efficient completion of any demolition project, regardless of size. In addition to our demolition services, we also provide roll-off dumpsters for use on construction sites and for basement cleanouts. We are proud members of various industry associations, including the Eastern Contractors Association, National Association of Demolition Contractors, National Association of Women in Construction, Northeastern Subcontractors Association, and National Federation of Independent Business.
