## ABOUT

Custom Industries Inc. is the place to bring your scrap metal! We pay top dollar for all different types of alloys and even offer the ability to recycle your metals through our foundry services. We provide a family-friendly environment and welcome new and returning customers with open arms. Stop by today and bring your metals—we promise you'll enjoy doing business with us. We accept all types of alloys, including stainless steel, aluminum, copper, iron and much more. Our goal is to be a family-friendly venue. We love handing out candy to the kids and will always have mittens and mugs during the winter, as well as fans in the hot summer.
