ABOUT

Custom Steam Carpet Cleaning is a professional cleaning company based in Northport, AL. We specialize in providing high-quality carpet and upholstery cleaning services. Our team of experienced technicians uses state-of-the-art steam cleaning equipment to remove dirt, stains, and odors from carpets and upholstery. We also offer emergency water extraction services to help you deal with unexpected water damage. In addition to carpet and upholstery cleaning, we provide janitorial services to keep your commercial space clean and presentable. With our attention to detail and commitment to customer satisfaction, you can trust Custom Steam Carpet Cleaning to deliver exceptional results.
