

COMPANY PROFILE

D & K Appliances

dkappliances.net**ABOUT**

Appliances--Major Refrigeration Washers Dryers Stoves Dishwashers Refrigeration Washers Dryers Stoves Dishwashers | Since 1954, D& K Appliance Sales & Service has served the Delaware County, Chester County & Montgomery County PA area with a commitment to providing value, service, and all of the appliances customers want and need. Throughout our history, our main goal has remained the same. This commitment means we work harder and smarter than our competition. We are at the forefront of the appliances industry and offer our customers the latest services, technology, and information available. In addition, we can customize any project to meet your specifications. We guarantee to work hard to make sure you are completely satisfied. We carry most of today's top brands of refrigerators, freezers, washers & dryers, ranges & ovens, dishwashers, and microwave ovens. We also have factory trained technicians with a technical background.
