

COMPANY PROFILE

D&D Salvage

ddsalvageny.comABOUT

D&D Salvage Corp. is NYC's Only licensed scrap metal processor with the Department of Consumer Affairs. D&D offers on site pickup services for ferrous and non ferrous scrap metal. D&D will weigh and pay the customer on site based on the commodities market. D&D uses mobile electronic scales that are calibrated yearly for accuracy. These scales can be set up on the truck or brought to whatever location necessary on site to accommodate the customer's needs. With 70 years of experience in the sc
